re taking over under Govt management the self-acquired property of Nagarthara Kempanaujappa of Bangalore, for certain charitable purposes

From

The Deputy Commissioner, Bangalore District

Letter No. 42, Dated 19th November 1907

One Nagarathra Kempanaujappa of Bangalore has memorialized H. H. the Maharaja, stating that he owns as his self acquired property 2 houses in Nagarthara pet, Bangalore City estimated at Rs 1,500/- and Rs 1,000/-, a Chattram built of stone in mortar, within the premises of the Sri Nageshwaraswami temple estimated at Rs 4,000/-, a stable in Sunkapet costing Rs 1000/- and also land Sur No. 6 of Chik Jogur village of the Bangalore Taluk measuring 22 Acres 25 Guntas

with Casuarina trees standing thereon, all valued at Rs 1,000/-. The Memorialist further states that he is about 68 years of age and has no heirs to succeed to his property, and after his demise, all his properties Therefore prays that the above mentioned property may be taken charge of by Govt and that with the exception of the Chattram, the rest of them may be sold and the interest realised on the sale proceeds utilised for conducting the Utsava Utsavam of the Sri Nagarthesvara swamin temple in Nagarthanapet and also santarpane and the distribution of Panaka on the occasion. He further says that debts to the extent of Rs 2,000/- are due to him, that he has been himself collecting them and prays that if he dies before all the debts are collected, the remaining dues may be collected by Govt and utilised for the charitable purpose which the memorialist has in view. He adds that he would deposit Rs 100/- for his funeral expenses and prays that, as there is no likelihood of the occurrence of his death being brought to the notice of Govt the Police Constables on duty in the Petta in which he resides may be deputed to enquire of

his health every day, so that there may be no delay in taking charge of his property by Govt as soon as his death takes place. The Memorial has been transferred to this Office for disposal under cover of the Private Secretary's No 980/3848, dated 15th Feby 1907.

The Deputy Commissioner of the Bangalore District to whom the memorial was forwarded has now submitted a report. From it and the Vernacular papers received therewith it is observed that the properties, which are valued by the Memorialist at Rs 10,095-4-2 as per inventory prepared and submitted by him, are the self acquired property of the Memorialist, that they are not encumbered in any manner, and that the only relations of the Memorialist are his cousin (father's brother's son) and one Puttamma (the Rep's sister-in-law-wood) ~~sorts~~, and they do not claim [illegible]

over the property of the memorialist. The Deputy Commissioner reports that both the moveable and the immovable properties are valued at Rs 8,700/- and that a sum of Rs 1,444/- has been lent by the memorialist to private parties, and states that both the Amildar and the Divisional Officer recommend the said properties being taken over under Govt management as prayed for by the memorialist.

It is to be observed that the desire of the memorialist is that Govt should take charge of his properties after his death and administer them for the charities stipulated by him

[illegible] with a draft to the Govt Advocate enquiring as to how Govt can take possession of the properties after the demise of the memorialist

whether any will has to be executed by the memorialist making over the properties to Govt and if so what the terms of such will should be.

(Sd) H.B.P.D. 28/7/10

Muzrai Dept's remarks:—

The circumstances of this case are very peculiar. The Petr wants the Govt to take up his properties after his death when it is possible that there may be litigation. His two surviving relations namely a father's brother's son and a sister-in-law have no doubt now stated that they have no claim upon the petr's property but we do not know what they will say after the petr's death. He wants [illegible]

GPB—3,000—22 6 06

the debts due to him after his death.
It is not clear how this can be done,
without sufficient authority from
him. If the Pet: places in the hands
of Govt a definite sum of money
or a definite property under a proper
document, there will be no difficulty
in undertaking the management,
but the present offer involves
complications and difficulties.
However, I beg to submit a draft
calling for the Govt Advocate's opinion

The Govt Advocate was written to as directed above. In reply, he states that there seems to be no objection to accept Kempa-nanjappa's offer, and that to make the arrangement proposed by him effectual, it is advisable to ask him to embody the same in a registered will, which, ~~no doubt~~ the Govt Advocate suggests, may be deposited with the Muzrai Secretary for safe custody. The Govt Advocate has also forwarded a draft Will in Kannada and says that Kempa Nanjappa may also be informed that the Will may be written on a plain paper and that he has to pay the Registration fee alone.

The Deputy Commissioner now brings to notice that one S. M. Nanjundappa has submitted a petition stating that the sole

and the building which Kempa Nanjappa desires to hand over to Govt do not wholly belong to Kempa Nanjappa, and praying that they may not be taken over under Govt manage. The Deputy Commissioner further states that the petition has been forwarded to the Sub Division Officer for enquiry and report and that his reply, when received, will be communicated

Both Kempa Nanjappa and Sri Nanjundappa appeared in this Office today (21st Dec. 07) and gave their depositions -

Sri. Nanjundappa stated that

that the Nageeswaraswami temple is not a muzrai institution, that is under the management of the Communists, that the Chatram built by Kempa Nanjappa in the compound of the temple belongs to the Communists & that the Govt should not interfere in the management of either the temple or the Chatram. He however states that there is no objection to any kind of charity being conducted in the Chatram buildings, but that anything that will be done should meet with the approval of the community & that if Kempa Nanjappa is not willing to abide by this, he is at liberty to receive the cost of the structure -

Kempananjappa on the

other hand states that the building erected by him was for charitable purposes & that he has no manner of claim on it. All that he wants is that ~~out of~~ the interest on the amount realized by the sale of his other properties, should be utilized for the purposes intended by him and ~~reports~~ says that the Govt are at liberty to conduct the charities as best they could.

Sri. Nanjundappa says that Kempanaijappa has never celebrated Brindotsava for the last 20 years. Kempanaijappa says that it is his intention that the Utsava should be conducted in future.

self-acquired property, 2 houses
in Nagarthara pet, Bangalore City,
estimated at Rs 1,500/- and Rs 1,000/-, respectively,
a chattram built of stone in mortar
within the premises of the Sri Nagareswara
swami temple estimated at Rs 4,000/-,
a stable in Sunkalpet, costing Rs 100/-
and also land Sur: No. 26 of Chik
Jogu village, of the Bangalore Taluk,
measuring 22 acres 25 guntas with
Casuarina trees standing thereon
all valued at Rs 1,000/-. He further
stated that he was about 78 years
of age, and had no heirs to succeed
to his property, and prayed that
after his demise, all the above-
mentioned properties belonging to him
might be taken charge of by Govt
and, with the exception of the chattram,
the rest of them might be sold and
the interest accruing on the sale proceeds

utilised for conducting the Aridra-
Utsava of Sri Nagareswaraswamy
in Nagarthara pet, and also
Santarpana and distribution
of B Panaka to on that day -
He further stated that debts to
the extent of Rs 2,000/- were due
to him and that he had been
himself collecting them and
prayed that any debts remaining
due after his death, might be
collected by Govt and utilised
for the Charitable purpose which
the memorialist had in view. He
added that he would deposit a
sum of Rs 100/- for his funeral
expenses and prayed that the
Police Constables on duty in
Nagarthara pet might be
ordered to watch him so that

there might be no delay in taking
charge of his property as soon as
his death took place.

2 The Deputy Commissioner
of the Bangalore District to whom
the above memorial had been
referred, investigated into the matter
and reported in November 1907
that the properties which were
valued by the memorialist at
Rs 10,195-14-2 as per inventory prepared
and submitted by him were his
self-acquired properties, that
they were not encumbered in
any manner, that the only relations
of the memorialist were his cousin
(father's brother's son) and one
Puttamma (petitioner's sister-in-law)
and that these had deposed that

they had no claim upon the properties of the memorialist - The Deputy Commissioner however estimated the properties moveable and immoveable in question at Rs 8,700/- and the debts at Rs 1,144/- and recommended that they might be taken charge of by Govt in accordance with the wishes of the memorialist

3 In December 1907, however, one S Ry Ranjundappa of Bangalore petitioned the Deputy Commissioner complaining that the chatram site and building which the memorialist desired to hand over to Govt did not wholly belong to the memorialist and praying therefore that they might not be taken under Govt management Thereupon, the memorialist and the said Ranjundappa having been summoned & heard before

Govt in person, the latter deposed that the Sri Nagareswara temple was not a Muzrai Instn but was are under the management of the Nagarthara community, that therefore the chatham built by the memorialist in the compound of that temple belonged to that community, and that Govt should not interfere in the management of the temple a chatham He however stated that there was no objection to any kind of charity being conducted in the chatham building, but that anything that would be done therein should meet with the approval of the community, ~~Govt~~ that if the memorialist was not willing to abide by these conditions he was at liberty to receive the cost of the super-structure of the Chatham

In a subsequent deposition of the 21st December 1907, Nanjundappa stated before Govt that ~~Arudhra~~ the memorialist might conduct Arudrotsavam in the Sri Nageswara temple if the ~~case~~ Nagarathara community were agreeable thereto, and if not agreeable, the Utsavam might be conducted in the Sri Prasanna Gangadhareswara temple in Nagarathapet, panaka-panyara and feedings being done in the mathams. He stated that his only contention was that the Chattram built by the memorialist was a charitable Inst^n belonging to his community and that the Govt should not interfere in its management. If however the community did not effect the

needful repairs to this chattram building,
he stated that the Govt might do the work
there out of the funds placed at their
disposal by the memorialist. The
memorialist, on his part, deposed
expressing his willingness to abide
by the conditions imposed by Manjundappa.
He has also executed a duly registered
will bequeathing all his properties
valued at Rs 10,310-2-3 as per schedule
annexed thereto and requesting that
may be sold after his death and the
they interest accruing thereon utilised
for the performance of Thridrotsava
to Sri Nageswara swami or for the celebration
performance of car-festival of Sri
Adinarayana swami in Nagarthanapet
on the Ratha saptami day, and
also for the conduct of santarpane to
Brahmins and of Panakapanyara
to the members of his community.

4. Under the foregoing circ^{ces}, the Govt are pleased to accept the offer made by Kempanaujappa to make over all his properties to Govt for carrying out the charitable purposes stipulated by him - The Deputy Commissioner is requested to issue needful instructions to the local authorities to safeguard ~~the properties in take charge of the~~ & take charge of them on question after the demise of Kempanaujappa and administer them in accordance with ~~the~~ his wishes as expressed in his will.
